## FOR IMMEDIATE RELEASE

### **Santa Barbara Cosmetic Surgeon Dr. Terry J. Perkins Voted Best Cosmetic Surgeon**

*Dr. Terry J. Perkins, who was raised in Santa Barbara, is honored to have this title bestowed on him by his hometown clients.*

**SANTA BARBARA, CA., April , 2009** – Dr. Terry J. Perkins, Santa Barbara-based cosmetic surgeon, who has been serving Santa Barbara and Ventura counties for over thirty years, has been voted Best Cosmetic Surgeon in the Santa Barbara News Press Readers Choice Awards 2009.

“To be recognized as the Best Cosmetic Surgeon by my patients, friends, and peers is a great honor, especially in Santa Barbara, where many other talented plastic and cosmetic surgeons practice,” commented Dr. Perkins from his Cosmetic Surgery practice that has offices in Santa Barbara and in Oxnard.

Dr. Perkins began practicing in 1978 and opened the Cosmetic Surgery Center Medical Group in 1983 specifically to give his patients access to the safest and most advanced technology and surgical techniques available anywhere. At the Cosmetic Surgery Center he specializes in facial cosmetic surgery, skin rejuvenation, and body contouring. What makes Dr. Perkins stand out is that he is at the forefront of aesthetic technology - he was one of 16 doctors in the United States selected to conduct a study leading to the FDA approval of Botox - and he continues to research and acquire new, safe and effective devices and treatments to benefit his patients. In 2005 he founded Evolutions Medical Spa in Santa Barbara where clients can receive medically supervised non-invasive treatments that are safely administered in a pampered atmosphere.

Along with being an excellent technical doctor, Dr. Perkins always makes it a point to put his patients first. After sharing his comments about the award, Dr. Perkins demonstrated this by saying “I would like to thank all of my patients over the past three decades who have supported me, for without them I wouldn’t be able to make a living doing something that I truly love.” Clearly Santa Barbara residents have made a great choice for “Best Cosmetic Surgeon.”
