## FOR IMMEDIATE RELEASE

# SANTA BARBARA MEDICAL SPA CELEBRATES SIX SUCCESSFUL YEARS, MARKS MILESTONE WITH PARTY FOR THE COMMUNITY

*Evolutions Medical Spa – Santa Barbara’s largest medical spa – will host an open house for their clients and the community to celebrate their 6th anniversary on Wednesday, January 25, 2012, from 4:00 pm to 8:00 pm.*

**SANTA BARBARA, CA., January 23, 2012** – [Evolutions Medical Spa](#) has been awarded “Best Medical Spa” in the Santa Barbara Independent Readers Poll Awards and the News-Press Readers Choice Awards every year since 2007. What makes Evolutions popular year after year? “Evolutions offers something for everyone. Our treatments are for all skin types and address many concerns from acne to aging. We have also expanded our menu to include innovative, effective services ranging from laser nail fungus treatment to tattoo removal,” explained Brian Perkins, Evolutions’ Managing Partner.

While smaller medical spas tend to offer only a few services, like [Botox](#) and [dermal fillers](#), Evolutions is a full-service medical spa, treating the full spectrum of skin rejuvenation for women, men, and teens. An extensive services menu is not the only component to their success, especially in this economy. “Our priority is customer satisfaction,” Perkins further explained, “and we achieve that by training our staff to provide top notch services that yield results and happy clients.”

Many happy clients are what Perkins expects to see at their Sixth Anniversary Open House on Wednesday, January 25th. Last year over 150 people turned out to celebrate Evolutions’ fifth anniversary and swooped up gift bags, discounts on services, and raffle prizes. This year’s event is just as promising, with over \$5000 in raffle prizes, special pricing on services and products, complimentary mini-treatments and even a live demonstration of Dr. Perkins administering Dysport on a willing client.

“The Open House is a celebration and a way for us to thank the clients and the community who have loyally supported us all these years,” Carrie Vuich, Evolutions’ Spa Director said, “and for those who haven’t been here, it is a chance to see what we have to offer.” With so many [“Best Medical Spa” awards](#) in their corner, clearly those who have been to Evolutions like what they have to offer. See for yourself at their Anniversary Open House on Wednesday, January 25th, from 4:00 pm to 8:00 pm. This event is open to the community. For more information, call 805-687-0212.
